Established Handicap (3+ rounds)	Player Status	Standard Play (with payout)	Ace Fund (Instant \$100)	4 CTPs
Yes	ODGC Member	\$5		
		\$6		
		\$10		
	ODGC Non-Member	\$7		
		\$8		
		\$12		
No	ODGC Member			\$5
	ODGC Non-Member			\$10

PAYOUT:

Please refer to ODGC payout schedule for cash payout.

\$5 Entry Level - \$4 to cash payout, \$1 to ODGC General Fund.

\$10 Entry Level - \$4 to cash payout, \$1 to ODGC General Fund, \$1 to Ace Fund, \$4 to CTP funds
Non-Members surcharge will be allocated to the ODGC General Fund.

HANDICAP ESTABLISHMENT:

A minimum of three rounds are needed to establish a handicap and participate for cash payout.

New participants will need three rounds to establish. Club members establish at no cost. Non-club members are assessed a \$5 fee for each establishing round. After the completion of three establishing rounds, a non-members' establishing fees will equal \$15 – the annual club membership dues level. At this time they become a club member. There is no time limit to establish.

FACTORING INDIVIDUAL HANDICAP:

A true average of at least three rounds is required. Actual handicap will be factored by taking the true average of the player's last seven rounds. If there are under seven rounds with established scores, the number of official rounds recorded will be used until seven is obtained. At that point, the last seven scores recorded for a player will represent the handicap. Non-whole averages will be rounded down the closest whole number (exp: 3.27 → 3.0 or -3.27 → -3.0).

COURSE PLAY:

The course for each round will be determined the morning of the round facilitating multiple configuration of both courses and four separate 9-hole sections. Currently the course configuration will be created as to make all potential course combinations play as close to equal as possible. We have assigned a par value to each 9-hole section allowing ODGC to compute the players +/- score in relation to par and the course played that round.

ODGC HANDICAP GLOSSARY OF TERMS

ACE Fund:

During a Handicap round, if a hole-in-one is hit, that player is entitled to the ACE Fund, if the player paid into the ACE Fund for that Handicap and prior to the start of the round where the Ace was hit:

- Payout for Ace is \$100 at all times.
- Multiple Aces within a single round each pay \$100

Cash CTP:

Closest to the pin on the designated holes will receive the Cash CTP Fund for that hole. There are four Cash CTP holes each round. The payout will be determined by the number of players participating in the CTP entry level for that round prior to the start of the round.

Club General Fund:

Used for club activities only. Supplies for course maintenance, annual member appreciation party, sponsoring other clubs events, ODGC discs and apparel, donations to charities, club ID cards, running of club events, and general operational funds.

Club Member:

A player is considered a Club-Member if they are in good standing with the ODGC and have paid their current annual dues. Dues period coincides with the calendar year.

Non-Member:

A player is considered a Non-Member if they if they do not meet the requirements of being a Club-Member.

Standard Play:

Standard Play includes participation in the handicapped round, the opportunity to be awarded cash payout and administrative tasks.

Payout:

The amount of monies available for award.
