

# ODGC HANDICAP REGULATIONS & FEES

## **FEES:**

Members: \$5 entry fee

Non-Members: \$7 entry fee

Optional Funds: \$1 each for each fund entry (ace, birdie, bogey , CTP etc.)\*

## **PAYOUT:**

Please refer to ODGC payout schedule posted at course.

Of the \$5, \$3 to cash payout, \$1 to ODGC general fund and \$1 to ODGC Competition Fund. Non-Members surcharge will be allocated to the ODGC general fund.

Optional fund monies service appropriate fund. Money accumulates until fund is awarded. Large awards, such as a maximum value ace fund, will be mailed to recipient in the form of a check the following work week.

## **OPTIONAL FUNDS:**

Each separate handicap (i.e. Sat. morning Turkey, Sun. afternoon UCF, etc.) will maintain an individual fund for each optional fund. The money stays with the course and the time slot. All multiple winners earned within a single round/handicap will split the existing fund evenly, unless a non-club member. Club members will be up for full 100% pay out (or appropriate split) while non-club members will be up for 75% pay out with the other 25% going back into the fund. Additionally, if a club member and a non-club member earn a fund payout in same round, there will be a payout with the club member receiving 62.5% and the non-club member receiving 37.5%, or appropriate split for additional winners.

\*Ace Fund Note: Non-established, non-ODGC members are charged \$1 for every \$100 of potential payout available.

## **HANDICAP ESTABLISHMENT:**

A minimum of three rounds are needed to establish a handicap.

New participants will need three rounds to establish. A \$3 fee for each establishing round will be assessed. After the completion of three establishing rounds, a non-member may choose to join the club at a reduced rate of \$6, with the other \$9 given as a credit from the three handicap establishing rounds. There is no time limit to establish or receive the discounted club membership incentive.

Club Members - Current members that have not established are not charged the \$3 establishing fee and play for free with exception to any optional funds.

Existing CFDC & ODGAH handicap averages will be grandfathered into new system.

## **FACTORING INDIVIDUAL HANDICAP:**

A true average of at least three rounds is required. Actual handicap will be factored by taking the true average of the player's last seven rounds. If there are under seven rounds with established scores, the number of official rounds recorded will be used until seven is obtained. At that point, the last seven scores recorded for a player will represent the handicap. Non-whole averages will be rounded down the closest whole number (exp: 3.27 → 3.0 or -3.27 → -3.0) The maximum strokes any player handicap will be given are 18 (Editor Note: the 18 max strokes is currently under discussion for possible elimination).

## **COURSE PLAY:**

The course for each round will be determined the morning of the round facilitating multiple configuration of both courses and four separate 9-hole sections. Currently the course configuration will be created as to make all potential course combinations play as close to equal as possible. We have assigned a par value to each 9-hole section allowing ODGC to compute the players +/- score in relation to par and the course played that round.

# ODGC HANDICAP GLOSSARY OF TERMS

## **ACE Fund:**

During a Handicap round, if a hole-in-one is hit, that player is entitled to the ACE Fund, if the player paid into the ACE Fund for that Handicap and prior to the start of the round where the Ace was hit:

- Club Members are entitled to the complete fund balance.
- Non-Members are entitled to 75% of the fund balance.
- See complete Handicap Regulations for multiple ACE situations.

## **Birdie Fund:**

Before the round, 5 hole numbers will be randomly drawn. Those will be designated the birdie holes for that round. If a player scores birdies on all five of the designated holes in the same round, the fund will be awarded if the player paid into the Birdie Fund for that Handicap and prior to the start of the round where the birdies were achieved:

- Club Members are entitled to the complete fund balance.
- Non-Members are entitled to 75% of the fund balance.
- See complete Handicap Regulations for multiple Birdie Fund winner situations.

## **Bogey Free Fund:**

If a player completes a Bogey free (No Bogies) round, that player is entitled to the Bogey Fund if the player paid into the Bogey Fund for that handicap and prior to the start of the round where the Bogey free round was achieved:

- Club Members are entitled to the complete fund balance.
- Non-Members are entitled to 75% of the fund balance.
- See complete Handicap Regulations for multiple Bogey Free situations.

## **Cash CTP:**

Closest to the pin on the designated holes will receive the Cash CTP Fund for that hole. The number of Cash CTP holes will be determined by the number of players participating in the Fund for that round and that have paid prior to the start of the round.

## **Club General Fund:**

Used for club activities only. Supplies for course maintenance, end of year cook out, sponsoring other clubs events, ODGC discs and apparel, donations to charities, club ID cards, running of club events, and general operational funds.

## **Club Member:**

A player is considered a Club-Member if they are in good standing with the ODGC and have paid their current annual dues.

## **Non-member:**

A player is considered a Non-Member if they if they do not meet the requirements of being a Club-Member.

## **Orlando Open Competition Fund:**

Used for the Orlando Open only: lunches, pay-outs, drinks, water, coolers, ice, office supplies, renting cabins, tournament supplies, and anything needed to run the Open.

## **Optional Funds:**

These consist of ACE, Birdie, Bogey Free, and Cash CTP.

- These funds will carry over from week to week until someone hits them, except the CTP Fund.
- They will be capped at \$500, and then a second fund will begin to build, which will be available the following week after the capped fund is hit.

## **Pay-out:**

Used as winnings in the weekly event.
